Scare crow competition

Sponsored by Car Colston Cricket Club

Communities Working Together.

At this year's open farm Sunday on the 10th June Farmeco community care is holding a competition for schools, clubs and for individual families.

The winning school or club will be given a free visit to the farm. The winning family is a trip to the farm and will be lucky enough to drive the farm buggy around the nature trail!

The competition

Completed models will be displayed and judged at the Ecocentre on 10th June for all to see.

Please deliver the completed models to The Ecocentre, Home Farm, Screveton by Saturday 9th so that we can display them for the competition. Please let us know if you have a problem with delivery as we don't want to see anyone miss out and will do our best to help.

Individuals can enter on behalf of a class or it can be a class project. More than one class can enter per school.

The prize will be for one school class but further classes can be accommodated at £3.50 per child.

There are two prizes – different ages one for Key Stage 1 and one for Key Stage 2.

For more information please email david@farmeco.co.uk
